

# **Belmont Forum and JPI-Climate International Opportunities Fund**

## **National Annex: Italy**

**Partners:** This call is supported by National Council of Research (CNR).

**Notice:** Depending on all conditions of eligibility and peer review being met, the budget earmarked by the participating Funding Agency for this call will be up to 200.000 euro, maximum 50.000 per project.

The Italian element of any proposal can also comprise in-kind (i.e. non-cash) research commitment, with participating Italian research organisation responsible for meeting its own costs of participation in the call and any successful trans-national collaboration arising from the call, although supplementary funding from external sources may be sought if agreed by CNR and the other participating Italian research organisations.

The official national call announcement for Italy will be published on the CNR-DTA's website ([www.dta.cnr.it](http://www.dta.cnr.it)). Details of the call and the application process are provided on this web site as well via the *Belmont forum* website. In order to allow for the most efficient use of time, applicants are advised to contact their National Contact Point before starting to prepare proposals for application. For Italian enquiries please see below.

### **Eligibility and National modalities**

Please refer to [www.dta.cnr.it](http://www.dta.cnr.it) for eligible criteria, in particular for eligible entities.

Funding will be available for all funding instruments as defined in the Belmont Forum call documents.

Research themes, application and evaluation of research proposals will follow the procedure as defined in the Belmont Forum Call notice with annexes.

It is expected that applications to this call will be based/established/designed on Small collaborative projects or Research Projects or Small Synthesis projects with the consortium composition as defined in the call document.

Italian National Research Council will fund the Italian partner of successful trans-national collaboration until the limits of the earmarked budget.
