

Belmont Forum and JPI-Climate Climate Services Collaborative Research Actions on Climate Predictability And Inter-Regional Linkages

National Annex: **Sweden**

Partners: This call is supported by [Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning \(Formas\)](#)

Notice: Depending on all conditions of eligibility and peer review being met, the budget earmarked [collectively] by the participating [funding organisation](#) for this call will be up to **500 000 €** (according to exchange rates at time of funding).

The official national call announcement for the [Sweden](#) has been published on the [Formas](#) website. Details of the call and the application process are provided via the <https://bfgo.org/> website. Applicants are advised to contact their National Contact Point before starting to prepare proposals for application. For [\[country\]](#) enquiries please see below.

Eligibility and national funding modalities: [Formas general rules for research and development projects](#) are valid. Please consult [Formas Handbook](#).

Proposals of topic [1](#), [2](#) and [3](#) are eligible for [Formas](#) funding. [Formas](#) will fund up to **200 k€** per proposals.

[Detail any additional specific requirements for your country/funding agency e.g. building on specific programmes, focussing on specific areas within the Themes etc.](#)

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and [Formas](#) will fund the [Swedish](#) partner of any successful trans-national collaboration.
