

Belmont Forum CRA on Climate, Environment, and Health (CEH) National Annex: Côte d'Ivoire

Partners: This call is supported by PASRES

Notice: Based on all eligibility and peer review conditions, the budget allocated by PASRES for this call will be € **207,000**. PASRES can pay **69 000 euro** per year for the selected projects.

The official announcement of the national call in Côte d'Ivoire will be published on PASRES website: <http://www.csrs.ch/pasres>.

Applicants are advised to contact their National Contact Point before starting to prepare proposals for application. For national enquiries, please see below.

Eligibility and national funding modalities:

Applications submitted under this call must comply with the general rules and conditions for the financing of projects at the PASRES (www.csrs.ch/pasres).

Only research institutions can apply for this call.

The duration of the project is 36 months maximum. An extension period of no more than 12 months can be organized on request. For each research project, PASRES will carry out a budget and scientific evaluation.

Specific submission procedures must be scrupulously respected.

These include a project duration of 3 years, a budget ceiling.

It is expected that applications for this call will be collaborative research grants with composition of the consortium as defined in the call documents, and the PASRES will finance the state of Côte d'Ivoire of any successful transnational collaboration.
