Break-out sessions: Rooms 605, 607 and 303

Meeting Agenda

21 October 2013		
Time	Activity	Speaker - Chair
13:00	Welcome Coffee: room 301	
13:30	Introduction and Opening Remarks	Maurice Héral
13:45	Presentation on the Belmont Forum and the meeting objectives	Sandrine Paillard
	Q&A	Moderator: Maurice Héral
14:10	Towards a Collaborative Research Action: Focus & Research Questions – 1- General introduction Key knowledge gaps and bottlenecks, as identified in: <ul style="list-style-type: none"> • IPBES • Eranet Biodiversa • Diversitas 	Chair : Meike Teschke Anne Larigauderie Paul Leadley Xavier Leroux Anne-Hélène Prieur-Richard
	Discussion	
15:30	Coffee Break	
15:45	Towards a Collaborative Research Action: Focus & Research Questions 2- Keynotes: Overview: Scenarios of socio economic developments and models of their impact on biodiversity and ecosystem services Using models of biodiversity as policy support tools to anticipate, avoid and manage impacts of global environmental change Making socio economic scenarios relevant for decision making in terms of biodiversity and ecosystem services Modeling and governing feed-backs between ecological and economic dynamics	Chair: Maurice Héral Paul Leadley Simon Ferrier Ben ten Brink Martin Quaas
17:45	General discussion with the goal to converge on the focus and research questions	
18:30	End of Day 1	
19:30	Diner à <i>La Mosquée de Paris</i>	

22 October 2013		
08:30	Towards a Collaborative Research Action: Focus & Research Questions Recap on Day 1: Refined focus and list of potential research questions General discussion	Chair: tbd tbd
09:00	Towards a Collaborative Research Action: 3-Priorization of research questions 3a- Work in break-out sessions (3 groups)	Chairs and rapporteurs: tbd
10:30	Coffee Break	
11:00	Towards a Collaborative Research Action: Priorization of Research Questions 3b- Plenary session: reports from the group sessions General discussion with the goal to define a consolidated list of research questions	Chair: tbd tbd
12:30	Lunch (Room 303)	
13:30	Towards a Collaborative Research Action: 4- Defining targeted Research Activities 4a- Work in break-out sessions (3 groups)	Chairs and rapporteurs: tbd
15:00	Coffee Break	
15:15	Towards a Collaborative Research Action: Targeted Research Activities 4b- Plenary session: reports from the groups General discussion with the goal to agree on a consolidated list combining research questions & related targeted research activities	Chair: tbd tbd
16:15	Towards a Collaborative Research Action – 5- Wrap up and Conclusion Recap on focus, priority research questions and related research activities General discussion	Chair: Maurice Héral Paul Leadley
17:15	Closing	Johannes Karte

23 October 2013 (Scientific Officers only) – Room 303	
Time	
08:30	Opening
13:00	Closing
