

Belmont Forum Collaborative Research Action on Transdisciplinary Research for Pathways to Sustainability

Country: Ghana

Participating Partner: This call is supported by the Research and Grant Institute of Ghana (REGIG)

Notice:

REGIG will provide in-kind contributions to the Belmont Forum's Collaboration Research Action (CRA) on Climate, Environment and Health to enable Ghanaian universities, research institutions and non-governmental or community-based organizations to partner with their counterparts in Africa and beyond to address topics of mutual interest that relates to the Belmont Forum Collaborative Research Action.

The official national call announcement for Ghana will be published on the REGIG website (www.regig.org). The call will also be disseminated to the Research Offices of the various universities and research institutions in Ghana. Details of the call and the application process are provided via the *Belmont Forum* website (<http://www.belmontforum.org/opportunities>). For Ghana National Contact Point, please see at the end of the document. **This is a collaborative research grant therefore applicants are expected to apply as a consortium as defined in the call document.**

The contribution of REGIG include providing a meeting space for Ghanaian researchers and organizations to have discussions relating to the call and for successful applicants to engage in trans-national research collaborations. REGIG may, at its discretion, offer a limited number of administrative support to successful applicants, including cost of internal travels, per diem, printing and stationery, associated with the Belmont Forum to foster collaborations.

Eligibility and national funding modalities:

This call is open to researchers and practitioners in Ghanaian universities, research institutions and non-governmental or community-based organizations. Applications should seek to align their research projects with the Belmont CRA. Applicants will be required to meet the specific eligibility criteria as spelt out in the call. All applications will be assessed on the basis of these eligibility criteria as well as the selection criteria described in the call.
