When referring to Project activities/Core Activities, fully or partly financed in accordance with this Agreement, the Cooperation Partner shall always recognise and publicise that the activities are financed through Swedish development assistance. If forwarding funds, the Cooperation Partner shall ensure that the Implementing Partner provides the same visibility.
- 21.2 The Sweden logotype for promotion shall be used in the production of information materials and in information activities aimed at recipients in the country of the Project/Core Activities. The Cooperation Partner shall ensure that use of the "Sida" and "Sweden" logotypes for promotion are used in accordance with the guidelines available on www.sida.se and <https://identity.sweden.se> respectively. The production of such materials is entirely the responsibility of the Cooperation Partner and the liability of the contents lies with the publisher. "Sida" or "Sweden" logotype for promotion shall not be used in any way that can be perceived as if Sida or Sweden has participated in the production or supports any opinions presented. Sida and other departments of the Swedish administration abroad reserve the right to copy and distribute such material if required.
- 21.3 Notwithstanding the above, neither the Cooperation Partner nor its Implementing Partner will be required to publicise the financing through Swedish development assistance if it would jeopardise the implementation of the Project/Core Activities or the safety of staff involved in, and consultants, suppliers or contractors financed under, the Project/Core Activities.

- 23.1 The Agreement and/or the Grant may not be assigned to a third party without the prior written consent of Sida. This shall not, however, prevent forwarding parts of the Grant to an Implementing Partner in accordance with article 9 of the General Conditions.
