|   | <p>country-specific agenda, PAHO will procure products and services, in specific conditions. Please describe the project, plan, and country to the PAHO contact points below, so that they can assist with the project according to the international standards. Furthermore, PAHO can also provide assistance to teams who need consulting support and community assessment. Lastly, PAHO can also support projects with implementation and scaling of projects within the LAC countries.</p>   |
| <b>Maximum amount that can be requested per project or by researcher (K€)</b> | NA   |
| <b>Restrictions for use of funds</b>  | NA   |
| <b>Specific themes within the call</b>  | <p>PAHO is not considered a country or a funding institution. PAHO is a technical partner who will assist researchers and stakeholders in facilitating and guiding projects that are aligned with the health and climate agenda.</p>   |
| <b>Where to submit proposal</b>   | <p><a href="http://www.bfgo.org">www.bfgo.org</a> [and list out instructions if you have a parallel requirement for your submission]</p>   |
| <b>[Additional information]</b>   | <p>As coordination takes time, please contact the PAHO representative below to start these connections and to begin coordination.</p> <p>The subregion specific agenda is located below:</p> <p>Caribbean Action Plan on Health and Climate Change<br/>(<a href="https://www.paho.org/en/documents/caribbean-action-plan-health-and-climate-change-2019">https://www.paho.org/en/documents/caribbean-action-plan-health-and-climate-change-2019</a>)</p> <p>Andean Action Plan<br/><a href="https://www.paho.org/es/documentos/pla-n-andino-salud-cambio-climatico-2020-2025">https://www.paho.org/es/documentos/pla-n-andino-salud-cambio-climatico-2020-2025</a></p> |
