

CRAS PHOTO COMPETITION/EXHIBITION AT SRI 2023

1. Objectives:

The Belmont Forum is excited to showcase and feature the impact of your projects!

This year we are organizing a Photo exhibition at the SRI 2023 to share and celebrate the impactful research that is supported through Belmont Forum Collaborative Research Actions in IMAGES.

2. Eligibility:

The Belmont Forum's Photo Exhibition and Competition is open to all ongoing Collaborative Research Action participants. Our goal is to create a space for our transdisciplinary teams to showcase their impactful research at the Sustainability, Research and Innovation Congress in Panama and online from the 26 to 30 of June.

During the exhibition at SRI2023, the best, most meaningful and impactful Belmont Forum CRAs' photos will be selected. The photos will be judged based on originality, composition, and artistic merit. The entries should accomplish one (or more) of the following criteria:

- Illustrate an impact of the project
- Show how transdisciplinarity is applied in the project
- Demonstrate the integration of different ways of knowing
- Show interested actors/stakeholders' engagement

Note: Photos that have been digitally altered beyond standard optimization (cropping, spotting for dust, reasonable adjustments to exposure, colour and contrast, etc.) are not acceptable. Photos that violate or infringe upon another person's rights, including but not limited to copyright and photographs of persons without the necessary consent required by law in your jurisdiction will also not be accepted.

3. Timeframe:

The call will close on May 30, 2023

4. Submission:

Submit your images by going to the following Google form. If you would like to submit multiple photos, please fill out a separate form for each of them.

Note: You may enter an unlimited number of photos.

5. Prizes:

- 1st winner: Scholarship for registration and 1000 \$us to support in-person participation at the next SRI2024
- 2nd winner: Scholarship for registration and 500 \$us to support in-person participation at the next SRI2024
- 3rd winner: Scholarship for registration for the next SRI 2024

6. Judging:

Judging will be conducted by a panel of invited SRI2023 attendees. The composition of the panel will take into consideration gender, ethnic background, age, discipline, and geographic distribution to ensure a balanced mix and to minimize possibilities of bias.

***- This will be used to describe the photo during the exhibit and may be used as a quote for SM postings.**

Disclaimer for rights: Please note that photographs and footage submitted to the BELMONT FORUM CRAs' PHOTOS EXHIBITION/COMPETITION will be used by Belmont Forum for marketing and publicity (e.g., publications, our website, social media, annual reports), with artist credit given. Please contact us if you have any concerns about your artwork being shared.
